

A technical drawing of a mechanical component, likely a bracket or support arm, shown in two views: a top view (blue) and a side view (grey). The drawing includes several dimension lines and values:

- Top View (Blue):** Shows a horizontal length of 60 units from the left edge to the start of the vertical section. A small horizontal offset of 4 units is indicated near the transition.
- Side View (Grey):** Shows a total width of 60 units at the base. A vertical height of 18 units is indicated on the right side.
- Other Dimensions:** A vertical dimension of 6 units is shown on the far left. A radius  $R$  is indicated at the bottom-left corner. A red box containing the number "20" is located in the upper right area of the drawing.
